

CENTENNIAL PARTNERS LOS ANGELES COUNTY GENERAL HOSPITAL MASTER PLAN OPEN HOUSE

Centennial Partners, in partnership with the County of Los Angeles, The Wellness Center, and the Health Innovation Community Partnership (HICP), is working on the revitalization of the iconic LA County General Hospital building and other spaces on the west end of the campus.

Join us for the unveiling of the Master Plan, a transformative initiative that integrates community input and feedback to repurpose the historic General Hospital and West Campus into a vibrant, health and community-centered district.

The Master Plan Vision Includes:

- Adaptive reuse of the General Hospital building
- Affordable, workforce, and market-rate housing
- Public open space and pedestrian-friendly streets
- Community-serving retail
- Job creation
- Health and Wellness Services

All events will be held via zoom and will feature a 15-minute video presentation with the rest of the time allotted for discussion, questions and answers.

Two different dates and times have been scheduled to provide a variety of opportunities to participate.

Each session will last 45 minutes
